ROYAL CHRISTMAS

Smart Christmas App

Installing the app

Go to the App or Play store and search for "Smart Adapter"

Look for the app that says Royal Christmas
And install it

Smart Adapter

Android

iOS

Search for an adapter

Open the app, and make sure that the bluetooth is connected (in the settings)

Click "Search Adapter to search for the adapter
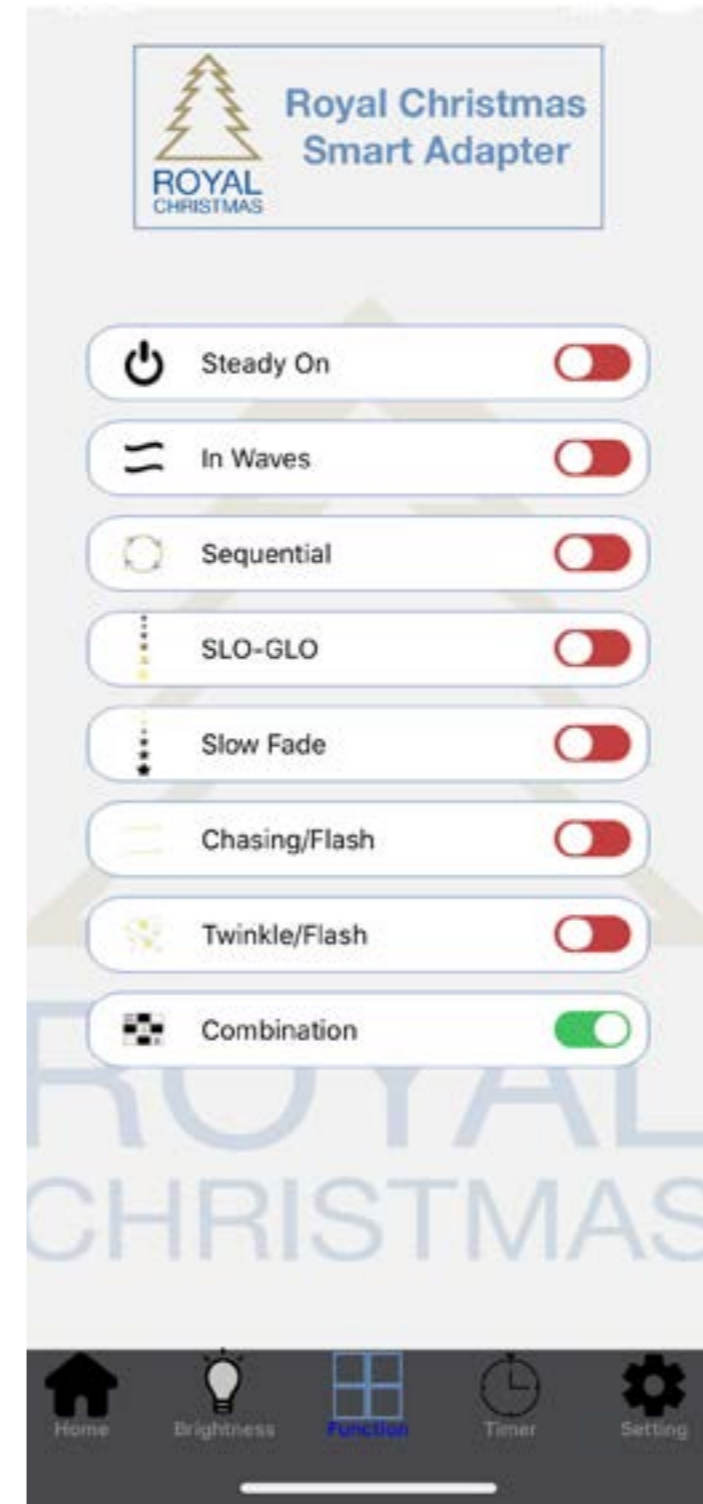

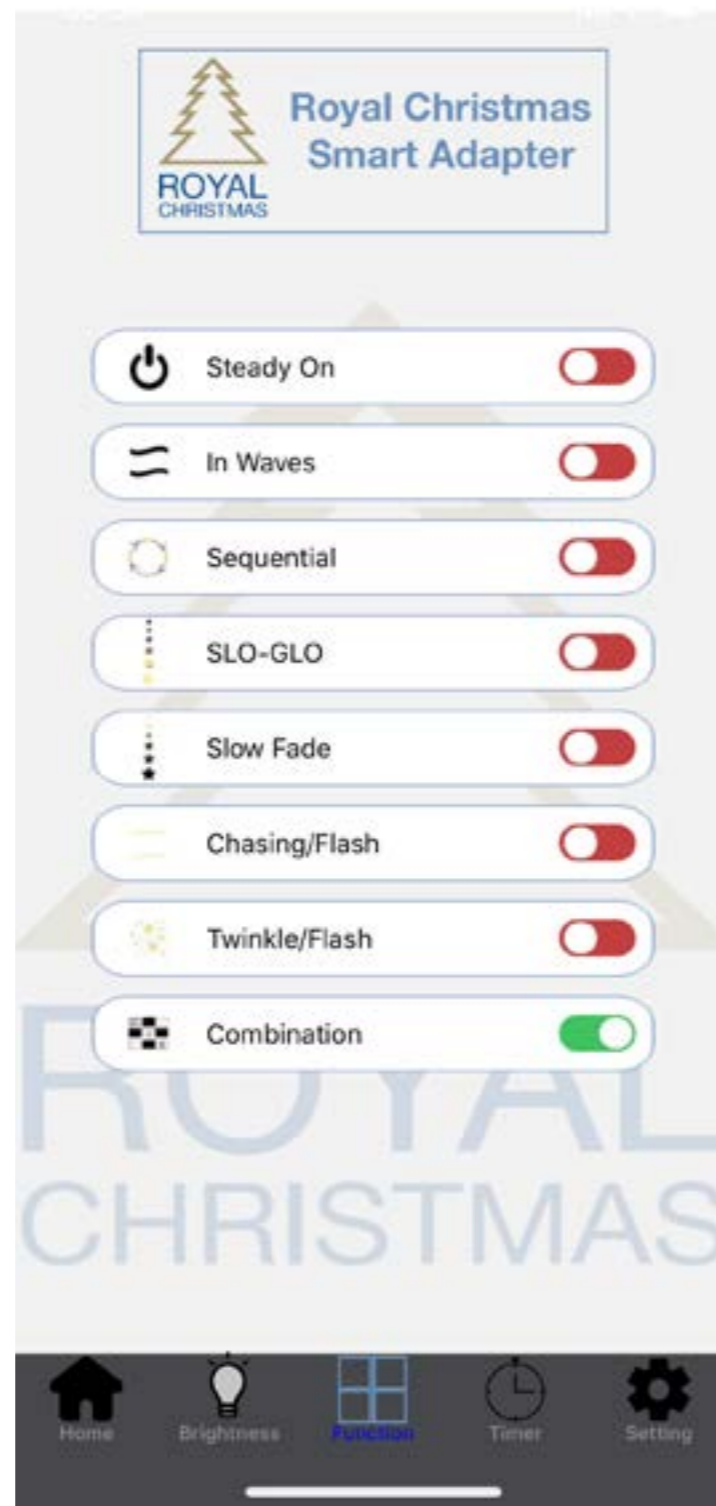

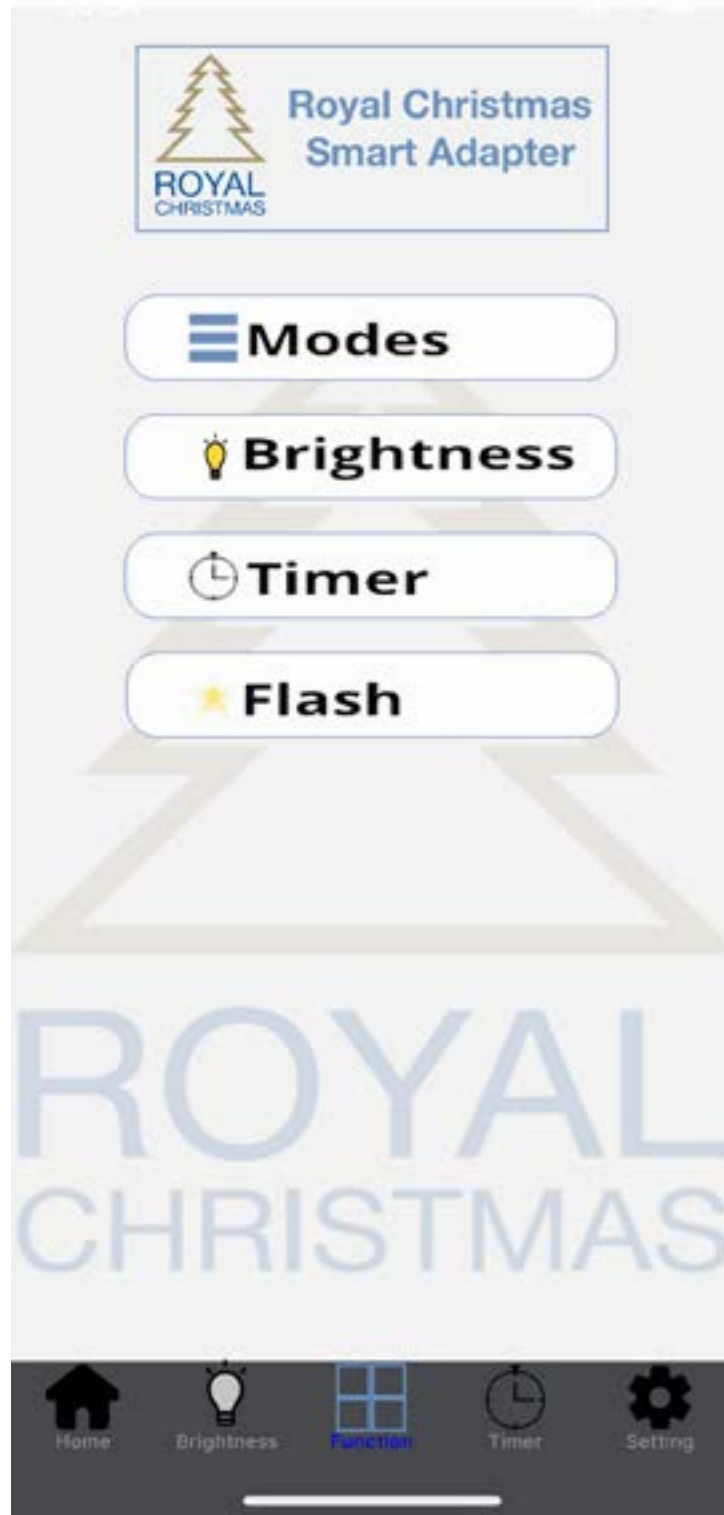

Brightness

You can set the brightness you like by swiping the circle from left (0%) to the right (100%) and anywhere in between.

Connecting with the adapter

It will start searching for an adapter
Once an adapter is found, you can click on it to make a connection

Steady On: Lights will stay lit

In Waves: LED lights turn on/off in a wave like rhythm

Sequential: LED lights sequentially turn on/off

SLO-GLO: LED lights will slowly turn on

Slow Fade: LED lights will slowly turn off

Chasing Flash: LED lights will blink faster each time

Twinkle/Flash: LED lights will link fast

**Combination:** All of the above modes

Functions

Once you click on functions you'll see 4 options (Modes, Brightness, Timer and flash) if you click on modes, you'll get a lot of different modes to choose from.

Flash

Set the flickering of the lights from 0% (Left) to 100% (right) by swiping with the circle

100% is a lot of flashing
And 0% is almost none

Timer

On the Timer page click on "Add Timer" and in the squares swipe up or down to set the time. You can select 1 modes, and multiple days.

Once you're satisfied you can click on done

Change or Delete the timer

Once a timer is set, you can click on change timer to change the time, or to remove the timer.

You can also click on "Add another timer" to add a second one

Settings

The settings has 4 options: Instructions, Assembly Instructions, Language, Change Password. If you click on Assembly Instruction you'll find the assembly instruction for your tree.

Change language

The app works in multiple langauges

You can change the language by going to the settings, and click on language

The app is working in:
